

Video About Us

Below are a list of questions we would be asking to use in your About Us company video. We may not use all of these answers in the video we create and much of it will be audio only as we use shots of your product/service, facilities, personnel, etc.

- Introduce yourself using your full name, position and company's name.
- Tell me about yourself. Family? Hobbies? What do you like to do?
- Please give me an overview of your duties at your company.
- Tell me about your background in widgets.
- What problems does your company solve for your clients?
- What separates your company from the competition?
- What are some benefits of hiring your company?
- How would you describe the atmosphere of your company?
- Who is your ideal client?
- What are some well-known clients and projects that your company has worked on in the past?
- Tell me about a time your company succeeded.
- Tell me about a time your company failed and what you learned from it.
- What unique solution does your company offer?
- How did your company get started?
- What is your company currently working on?
- What new products or services do your clients have to look forward to?
- What is the most satisfying part about your job?
- At the end of the day what makes you feel most proud?
- What does the future have in store for your company?
- How can people get in contact with you?
